

Kimball Solutions

Kimball Solutions, founded in 1961 and became an independent, publicly traded company (Nasdaq:KE) in 2014. Kimball specializes in durable electronics and contract manufacturing for non-electronic components. We offer award-winning service with a global reach and rely on our robust processes, standardization, and teamwork. Our Customer Relationship Management model ensures easy access to our services throughout the product life cycle. Customers depend on our quality, certifications, financial stability, and commitment to longterm relationships in industries with rigorous engineering controls and long product life cycles.

END-TO-END PARTNERSHIP SOLUTIONS
