| ASCX12   | 4010    | 830, 862, 850, 856, 860, 865, 997                      | Outbound  |
| EDIFACT  | D.97A   | DELFOR, DELJIT, ORDERS, ORDCHG, ORDRSP, DESADV, INVOIC | Inbound   |
| EDIFACT  | D.97A   | DELFOR, DELJIT, ORDERS, ORDCHG, DESADV                 | Outbound  |

## Data Transfer Methods

KEI prefers to transfer data over secure AS2 through Cleo Harmony. We also offer connection through our EDI VAN provider Open Text GSX / Inovis.

## AS2 Connection Info

|                                 | Production                                                                                                                                             | Test                                                                                                    |
