

Angela Gasa

Quality System Manager

▣ Started at Kimball Electronics in 2016

- Angela resides in Indianapolis, Indiana, where she spends a lot of time supporting her kids at softball, baseball, and soccer games. In her free time Angela enjoys doing projects around the house, trying new food, reading, crocheting, and spending time outdoors.
- Angela started working with Kimball Electronics as a consultant in 2016 and she accepted a permanent role in 2019. Angela was excited about her permanent role because "Kimball Electronics truly supports employee growth and development. I've learned so much over the past few years and am grateful for all the opportunities I've had with this company."
- Angela shared "I am so proud of the entire Kimball Electronics Indianapolis staff for successfully completing a merger of two facilities in only 14 months during a pandemic. Everyone worked so hard and the final rollout went as smoothly as we could have hoped."
