

Niwon Thanomrot

Senior Sourcing Specialist

▶ Started at Kimball Electronics in 2018

- Niwon is a resident of Sri Racha, Chonburi Province, Thailand. When not at the office you can find Niwon going camping or working out at the gym.
- Kimball Electronics is Niwon's employer of choice because of the great reputation in the industry and his friend, who works in the quality department, told Niwon that the culture at Kimball Electronics is top notch. In his time at Kimball Electronics Niwon has been impressed with the working culture and environment. It feels like a second home.
- Joining Kimball Electronics taught Niwon to be open and willing to learn new things that may result in life lessons. Those lessons can sometimes be the key to both professional and personal development. The achievement with Kimball Electronics that he is most proud of was when he was promoted to Senior Sourcing Specialist and selected to join the Leading the Kimball Way program.
