

# Tuan Tran

Senior Operations Manager

▶ Started at GES in 2007

- Tuan resides in San Jose, California. In his free time, Tuan enjoys going fishing and spending time with his wife and three children.
- Tuan's favorite memories with GES are when the company provides lunch and gives coworkers a welcoming space to get to know each other better. Creating those friendships in the workplace makes the job more enjoyable.
- The professional achievement Tuan is most proud of is when he was promoted to Senior Operations Manager. GES is his employer of choice because it allows him to interact and learn many new kinds of technology.
