

Antonio Borbolla Noguera

Material Planner Supervisor
Kimball Solutions Reynosa

▣ Started at Kimball Solutions in 2017

- Antonio calls Reynosa, Tamaulipas, Mexico home. In his free time, he enjoys spending time with his wife and children, watching movies, and going to the gym. A fun fact about Antonio is that he often sings in his office when he is stressed!
- Antonio stated that his favorite office tradition is that every last Friday of the month the entire materials team brings in "Antojitos Mexicanos" (Mexican street food). He enjoys this tradition because it allows him to spend time with his team and allows them to catch up with each other.
- The thing that Antonio stated he enjoys most about Kimball's work is that "we are a company that supports each individual and helps them to improve their abilities to their maximum potential." He stated that the culture is unique because of our belief that "people are the company, people are our family, and they are the best resource we have."
