

## Sangtaek Kim

Director of Global Optical  
Engineering

▣ Started at Kimball Electronics in 2016

- Sangtaek resides in Dublin, California and works at the GES San Jose facility. In his spare time, he enjoys spending time with his children, hiking, running, and playing tennis.
- In his current role, Sangtaek loves that he is able to communicate with customers to determine their current problems and create the best solutions. "Sangtaek enjoys that GES's culture is people-focused and that the company cares for both customers and employees.
- Sangtaek is proud to have brought multiple large-scale opportunities to GES with his colleagues. Their work involves top-notch technologies, problem solving skills, and disciplines. "I think it is a privilege to work in this environment where my knowledge and our teamwork can contribute to advanced technologies used by millions of people around the world."
