

Jorge Bautista

Guadalupe

Operator of New Products
Kimball Solutions Reynosa

▣ Started at Kimball Solutions in 2022

- Jorge is from Reynosa, Tamaulipas, Mexico, and enjoys staying active in his free time by playing sports. He has been with Kimball Solutions for four years and has held several positions during that time, starting as a Material Handler and now serving as an Operator of New Products.
- Jorge enjoys the variety of activities that come with his role and takes pride in contributing wherever needed. One of his favorite memories at Kimball Solutions is the day he joined the company, which marked the beginning of a rewarding experience.
- What Jorge appreciates most about Kimball Solutions is the positive work environment and strong sense of teamwork. He believes the company's culture is unique because employees work together and treat one another with respect, creating a supportive atmosphere that he values every day.
