

## **Natthaya Jangphanit (Baifern)**

MFG Automation Engineer  
Kimball Electronics Thailand

▶ Started at Kimball Electronics in 2023

- Natthaya is from Chonburi, where she enjoys spending her free time engaging in artistic pursuits, singing, playing the guitar, and exploring new outdoor locations for camping adventures.
- What she enjoys most about her role at Kimball Electronics is the sense of accomplishment that comes with successfully completing a project. These projects often involve programming new devices, implementing new features, and meeting evolving requirements
- She believes Kimball Electronics stands out for its unique company culture, shaped by a welcoming work environment and open, transparent communication. The company fosters a culture where diverse ideas are encouraged, and thoughtful, reason-based discussions are the norm
