

Jeff Hilsmeier

Engineering Manager
Kimball Solutions Jasper

▶ Started at Kimball Solutions in 2007

- Jeff lives in Ferdinand, Indiana, where he enjoys spending his free time with his wife and keeping up with the sports and activities of their two kids. He also enjoys being outdoors, especially hiking and fishing.
- Jeff is an Engineering Manager at Kimball Solutions Jasper. Throughout his time with the company, he has held several roles including CAD/CAM Engineer, Manufacturing Engineer, and Engineering Team Lead. In his current role, he most enjoys problem solving and mentoring, working closely with his team to tackle new challenges each day and develop innovative solutions.
- He was initially drawn to Kimball Solutions through a recommendation from a family member while in college and has since built a rewarding career. Jeff values the variety of products the company produces and takes pride in seeing their impact in the real world. He also highlights the strong culture at Kimball, driven by people who take pride in their work, collaborate effectively, and bring a positive attitude and sense of humor to the team.
