

## Abdul Saleem

Engineering Project Manager

▶ Started at Kimball Electronics in 2015

- Saleem resides in Malappuram, Kerala, India with his family. He is a sports enthusiast and enjoys traveling to new places.
- What caught Saleem's attention was the Kimball Tagline - Lasting Relationships. Global Success. He quoted "Building relationships has always been the culture of Kimball Electronics GES India. GES India has given me opportunities to work with world-class customers and travel to over 10+ Countries which has helped me meet different people and explore various cultures."
- What Saleem appreciates most is, how amazingly the company engages its employees through fun activities and other initiatives. "This makes us feel valued and part of a greater cause."
