## MORE ABOUT JESSICA

Jessica resides in Jasper, Indiana spending her free time chasing around almost-toddler twins, cooking, and crafting.

Her favorite memory with the company was during the 2015 HR Conference in Poland. The Global HR Team took a cooking class and it was an evening full of laughter, learning and leisure.

Jessica's favorite office tradition is Don Charron's - Kimball Electronics, CEO, annual Profit Sharing Bonus (PSB) communication. She believes this is a great touchpoint with the larger organization with their CEO and is proud of the way the company maintains connection and community at all levels of the organization.
