

## **Julie Hunefeld**

Director of Financial Planning  
and Analysis

KESS

▣ Started at Kimball Electronics in 2014

○ Julie resides in Holland, Indiana. In her free time, she enjoys camping around Southern Indiana and boating and traveling with her family and friends.

○ Kimball Electronics attracted Julie because of the company's strong culture and values. Her favorite office tradition includes saying "Go Team" after every meeting. Julie mentioned that this might seem cheesy, however she believes it is catchy and there has been a time or two where she does not say it and she gets reminded serving as a reminder that we are in this together!
