

Le Chi Duc

Design Engineering
Vice Director

▶ Started at GES in 2008

- Currently, Duc Le lives in his hometown of Ho Chi Minh City, Vietnam. During his free time, he enjoys spending time with his family and participating in sports activities like jogging and playing soccer with his colleagues.
- One of Duc Le's most memorable moments while at GES Kimball Electronics was the trip to Phu Quoc Island. During the trip, all employees participated in team-building activities. As a result, the employees' relationship and connection grew stronger.
- It is Duc's passion for doing the job of equipment design that allows him to grow creatively, and he is proud of leading the design function of the company. "Kimball Electronics GES offers its employees a great setting for personal growth and improvement."
