

Creating Quality for Life

## Li Jian

Service Director  
GES China

▣ Started at Kimball Electronics in 2015

- Li resides in Suzhou, China, a lively city filled with thousands of years of history. Outside of the office, Li spends time hiking and reading.
- Li earned an MBA degree from Northwestern Polytechnical University. Before becoming Service Director, Li served as the Service Manager at Kimball Suzhou for 5 years. At GES he has excelled at customer communication and received praise for his team's good work.
- As the first employee to join the Kimball Suzhou family in 2015, he has witnessed Kimball Suzhou grow into the strong organization that it is today. He has led the Speed Quality Cost team with spirit to provide valuable and satisfactory services to customers. His work to enhance the Online Service System has greatly improved the customer image for GES.
