

Lynn Scheu

Information Technology
Project Manager
KESS

▣ Started at Kimball Electronics in 1998

- Lynn resides in Jasper, Indiana where she spends her free time serving in various capacities at church and within the community.
- She has been a lifetime employee of Kimball, beginning to work for the company out of high school, where her father and grandfather were employees as well.
- Lynn has many favorite memories with the company from her travels to each KE location. During her visits, Lynn enjoyed getting to know coworkers around the world, traveling to places she never dreamed she would be able to, and seeing places she never imagined she would.
