

Nguyen Tien Phong

Field Service Engineer
GES Japan

▶ Started at Kimball Electronics in 2023

- Phong lives in Unomori, Yokaichi-City, Mie-P Japan. When he is not at work, he often enjoys going for a walk, playing sports, listening to music, and reading books. Phong also says that he likes to spend time talking with family and friends in his free time.
- Phong recently began his work at GES thanks to a recommendation from a friend. He stated, "Although I am a new member of GES, working with good and enthusiastic colleagues has helped me a lot in my work."
