▣ Started at Kimball Electronics in 2019

○ Rylee resides in Princeton, Indiana where she spends her free time working on home renovation projects, coaching high school and travel volleyball, and going to concerts.

○ Rylee pointed out how approachable every Kimball Electronics employee is regardless of their level of leadership and mentioned how true the open-door policy is within the company. Rylee appreciates that Kimball Electronics is able to provide many opportunities to its employees and create a sense of a smaller, close-knit community while being the large corporation that it is.
